Thank you for your interest in North Fort Myers ARTS Association!

**NOTICE FOR ALL SHOWS:** The hanging/displayed artworks may be sold during the show WITH the stipulation that the items will remain in the show until the end date of each show. Payment can be scheduled by speaking with Dee Stevenson, or Sherrie Saidon, GCV Lifestyles Coordinator, at any time throughout the show. All payments will be processed by NFMAA in either Cash, Check, Debit/Credit Card.

1. Note: There is NO Participation FEE for any of our ART shows. Your membership (\$25.00, Individual, \$40.00 Family or \$10.00 Student membership levels) covers this cost for you for **ALL** of our (typically 10 per year) shows for the year. This is a “once & done” offer for an entire year and a significant bargain. Membership fees are due thereafter routinely by Jan. 31<sup>st</sup> each year.

2. GCV & NFMAA may offer **special events** with a fee for attendance.

3. Included in your “package offer” is the significant advertising of our shows by Gulf Coast Village Marketing Dept. With your help, as volunteers, donors and supporters, we are working feverishly to improve our marketing plan in the coming months. Thank you for your commitment, support and patience in these matters. We are genuinely appreciative of each of YOU and your efforts to help us grow within our Lee County areas. Thank YOU!

One of our improvement objectives is to set our Events Calendar up on an 12-month basis and advertise on our media outlets and the local news outlets. Just within the next several months we have added classes and shows at other venues, and are preparing a full FALL Calendar of exciting Events. These two factors will improve our NFMAA coffers and increase the FREE spaces to show your artworks, thereby increasing the possibilities for growth of your financial coffers, as well.

4. Please review and complete the REQUIRED forms for the level of your interest and get them to Dee Stevenson (noted above) – and by following this process, you will be able to participate in our shows.

5. Thank you greatly for your adherence to these few rules & regulations and in a prompt manner.

Sincerely,

The NFMAA Board of Directors & Other Members
